RE: Application of South Carolina Electric & Gas Company for the Establishment and Approval of DSM Programs and Rate Rider  
Docket No. 2009-261-E

Dear Mr. Holman:

By copy of a letter addressed to you, the Docketing Department of the Public Service Commission of South Carolina ("Commission") informed South Carolina Electric & Gas Company ("SCE&G" or "Company") that your Petition to Intervene in the above-captioned proceeding has been received and that "you, or the party you represent, have been made a Party of Record, unless challenged." In the letter, the Docketing Department directed SCE&G to "forward you a copy of its pleadings, its response to any data request, and any other information [SCE&G] has submitted in this proceeding."

In full compliance with this directive, enclosed you will find a copy of the following:

1. Application of SCE&G for the establishment and approval of DSM programs and rate rider;
2. Letter SCE&G filed with the Commission enclosing affidavits and tearsheets as proof of publication;
3. Letter to counsel for CMC Steel South Carolina dated July 10, 2009;
4. Notice of Appearance of Counsel dated July 24, 2009;
5. Letter to Frank Knapp, Jr. dated July 28, 2009;
6. Letter to counsel for the South Carolina Energy Users Committee dated July 30, 2009;
7. SCE&G's responses to CMC Steel South Carolina's First Set of Continuing Data Requests; and
8. Letter to counsel for Friends of the Earth dated August 12, 2009.

(Continued . . .)

Additionally, as a courtesy, you will find enclosed a copy of the Company's responses to the South Carolina Office of Regulatory Staff's ("ORS") audit information requests. Please note that the Company does not consider the inquiries of ORS to constitute a "data request." Nevertheless, and without waiving SCE&G's position that responses to ORS's inquiries are not subject to disclosure as responses to data requests, SCE&G is providing to you herewith a copy of the information that the Company has provided to ORS.

Accordingly, you should now be in possession of all the documents that the Company has filed in this proceeding with the Commission as well as its responses to data requests.

Please note that SCE&G does not assume any responsibility to provide any updates to any of the materials provided herewith, or copies of responses made to any additional inquiries of ORS or any party. Also please note that the docket file is available for review at the Commission's website:

If you have any questions, please advise.

Very truly yours,
